

ACTION FOCUS CAMPAIGN

FIRST AID

In the coming period we will pay special attention to FIRST AID.

What is it and what do you need to do in a case of emergency are just some of the things that we will focus on. We will also inspect our facilities and working process, enabling us to further improve the way we work. Additional information about this Action Focus Campaign can be received from your HSEQ Manager / Supervisor.

Good luck with **increasing awareness**,
removing hazards and creating a **safer**
and **healthier** workplace!
