

ACTION FOCUS CAMPAIGN

HEALTH AND SAFETY SIGNS

In the coming period we will pay special attention to **HEALTH AND SAFETY SIGNS**. What are they and why do we need them are just some of the things that we will focus on. We will also inspect our facilities and working process, enabling us to further improve the way we work. Additional information about this Action Focus Campaign can be received from your HSEQ Manager / Supervisor.

Good luck with **increasing awareness**, **removing hazards** and creating a **safer** and **healthier** workplace!
