

ACTION FOCUS CAMPAIGN

LAST MINUTE RISK ANALYSIS

In the coming period we will pay special attention to **LAST MINUTE RISK ANALYSIS (LMRA)**. What is it, what is the purpose of it and what do we achieve by using it are just some of the things that we will focus on. We will also inspect our facilities and working process, enabling us to further improve the way we work. Additional information about this Action Focus Campaign can be received from your HSEQ Manager / Supervisor.

Good luck with **increasing awareness**,
removing hazards and creating a **safer**
and **healthier** workplace!
