

ACTION FOCUS CAMPAIGN

PROCESS SAFETY - SAFEGUARDING

In the coming period we will pay special attention to **PROCESS SAFETY - SAFEGUARDING**. What is it, why do we need to do it and what kind of protection do we use are just some of the things that we will focus on. We will also inspect our facilities and working process, enabling us to further improve the way we work. Additional information about this Action Focus Campaign can be received from your HSEQ Manager / Supervisor.

Good luck with **increasing awareness**,
removing hazards and creating a **safer**
and **healthier** workplace!
