

ACTION FOCUS CAMPAIGN

TRAVELLING TO AND FROM A PLANT-AT SEA BY VESSEL

In the coming period we will pay special attention to **TRAVELLING TO AND FROM A PLANT AT SEA BY VESSEL**. What is it, what are the hazards and what kind of protection do we use are just some of the things that we will focus on. We will also inspect our facilities and working process, enabling us to further improve the way we work. Additional information about this Action Focus Campaign can be received from your HSEQ Manager / Supervisor.

Good luck with **increasing awareness**,
removing hazards and creating a **safer**
and **healthier** workplace!
