

METHANOL

ACTION FOCUS CAMPAIGN

IMPORTANT INFORMATION

- 1** Ensure **proper ventilation** in the work place.
- 2** Ensure that a qualified person **measures** the air concentration of Methanol **before starting** and **throughout the duration of the work**.
- 3** Always use **the prescribed PPE** (see Permit to Work).
- 4** **Replace PPE immediately** at the first sign of wear and tear.
- 5** **Consult a doctor immediately** in case of (or suspicion of) contact with Methanol.

QUESTIONS? MORE INFORMATION? UNSAFE WORKING CONDITIONS?
Your HSEQ Manager is there to help answer any questions and ensure a safe working environment for all.

Work safely or do not work at all!
